

Ashly Audio FX 2 Zone Series Crestron Home Driver

User Guide

Product Manual

FX 2 Zone Series Manual

Overview

 $Package\ name\ (pkg): AVSwitch_Ashly_FX_2_Zone_IP.pkg$

Version:

This module allows integration of FX 2 Zone Series into a Crestron Home system. The FX 2 Zone Series is an audio switcher with analog and S/PDIF inputs, along with virtual mixer inputs to allow the real inputs to be mixed together into a single channel, with adjustable gain levels.

The AVSwitch module in this package provides the usual audio switching, volume and mute capabilities provided by the *AVSwitch* driver type.

The Platform module in this package is an optional extra, which generates 1 Extension driver for each virtual mixer channel, providing an interface to adjust the mixer input gain levels from within the

Features

This driver provides the following functionality.

- Switching
- Volume Control
- Mute Control

Ashly Audio Configuration

Prior to setting the driver up in Crestron Home ensure that the Ashly Audio FX 2 Zone Series is fully configured and works correctly. Please refer to documentation provided by Ashly Audio to setup the unit (link at top of document).

Support

If you require support for this driver please fill in a support request at https://support.janustechnology.co.uk/

Please ensure you provide the following information.

- Driver version you are using.
- Platform you are using e.g. Crestron Home
- Firmware version of your Ashly Audio FX 2 Zone Series.
- Firmware version of your Crestron system.
- A full description of the issue you are having and how to recreate the issue.

Troubleshooting

- Confirm that correct IP address is entered into the IP address field
- Confirm that correct Port is entered (if required).
- Check the Ashly Audio FX 2 Zone Series can be pinged from the control system controller. If the ping fails check your network configuration and cabling.
- For IP devices we recommend using a static IP address. Ensure this is done in either the device or router.

Ashly Audio FX 2 Zone Series Crestron Driver

Release Notes
